

LT LANDMARK 5052 P *causing a stir*

LT Ballerina 7135 P - daughter of Landmark

From performance sheets to pickup windows, the Landmark calves are causing a stir among cattle producers.

Here's what David Mason of Prairie Valley Farms Inc., Platte, SD had to say...
"We just worked the calves the other day. My Landmarks are thick across the top, deep bodied and quiet. With his definite calving ease, I'm excited about him."
